1. Varna has become the Soviet base for action against Tito. It is believed that a school for sabotage and espionage may have already been set up there for the training of pro-Soviet Yugoslavs. The Soviets recently sent large quantities of arms and ammunition to Varna.
 2. Other training camps for Cominform personnel who are to be sent into Yugoslavia have been set up in Provadiya, Tergovishte and Omurtag. These schools are directed from Varna.
